

S V PUBLIC SCHOOL, JAIPUR

REPORT OF JAL PAKHWADA – 2026 CBSE ACTIVITY

SV Public School organized a Campaign on Water Conservation as per the CBSE Circular “Jal Pakhwada 2026”

The programme aimed to raise awareness among students about the importance of saving water. Students actively participated with great enthusiasm and creativity. This initiative helped in building a sense of responsibility among the young learners which promoted teamwork, creativity and environmental consciousness.

One of the main highlights was the designing of e- banners by the students. These banners carried powerful messages about conserving water on the theme like Save Water, Save Life and Water is the Ultimate Gift of Nature were prominently featured. Students used digital tools to create visually appealing and informative designs. The activity encouraged students to think critically about environmental issues.

Sessions by the teachers were organised for the students on the importance of sustainable usage of water to meet current human, agricultural, and ecosystem needs. It involved balancing extraction rates with natural replenishment (recharge), maintaining high water quality, and increasing efficiency in usage to prevent depletion.

The event successfully conveyed the message that every drop of water counts. Overall, the Jal Pakhwada activity was an inspiring step towards water conservation.
